

SATURDAY, OCTOBER 21, 2017 – 8 AM – 2 PM
FALL HOUSEHOLD WASTE COLLECTION DAY
Summary of Information

IMPORTANT – PLEASE NOTE: Electronics recycling and clean wood disposal is *not* accepted at the Fall Household Waste Collection Day.

Please see the Town's web site for details of acceptable items for disposal at the following link: http://hamptonfalls.org/Pages/HamptonFallsNH_Recycling/white

In accordance with the Hampton Falls **Solid Waste Ordinance**, only owners or lessors of real residential property in the Town of Hampton Falls, to include residents in Hampton Falls are permitted to use the various facilities available to the Town of Hampton Falls for the disposal of household solid waste originating within the confines of the Town.

At no time, either during curbside pickup or at the Town's Household Waste Collection Days (a/k/a White Goods Day) is commercially generated waste accepted for disposal.

Dump stickers are no longer required on Household Waste Collection Days effective March 2017 (see fee schedule). Three-year Dump Permit Stickers previously purchased by residents will be honored until expiration.

Yard waste (leaves, branches) may be disposed of on the owner's property by way of composted on site or burning with the approval of the Fire Warden. An attendant must be at the site at all times during the burning.

Yard wastes that originate outside the borders of Hampton Falls shall be prohibited from being disposed of on any property (public or private) within the Town of Hampton Falls. Yard wastes include but are not limited to leaves, brush, branches and tree limbs.

Any User may dispose of leaves, brush and slash five (5) inches or less in diameter at the Brush Dump located at the corner of Drinkwater and Parsonage Roads on Saturdays, April through November. A \$30 Three-Year Dump Sticker is required to dispose of brush during regularly scheduled Brush Dump hours.

PROHIBITED OVERALL: *Stumps, commercial, industrial, construction and remodeling demolition and hazardous waste. An exception to this is a minimum amount of (less than 1/2 pickup truck load) household renovation debris that is acceptable for disposal at **ONLY the spring Household Waste Collection Day.***

Examples of construction, remodeling, and demolition debris include, but are not limited to, ***carpeting, flooring, replaced windows and doors, sheetrock, paneling, metal clad wall partitions, concrete blocks, hazardous pressure treated wood materials, painted wood, wood with creosote.***

If an item or items is not acceptable by the Town's contract with the disposal contractor (items that cannot be burned), the Town cannot allow for disposal.

NOTE: Collection days are an opportunity to dispose of bulky items and other items not accepted curbside. Smaller household items (to include, but not limited to, small appliances, small electronics, lamps, toys, garden tools) can be disposed curbside. The "Other Resources" listing available on the Town's web site offers other ways you can recycle and/or dispose of certain items.
