

Hampton Falls Parks and Recreation has had a great response to the Bandstand Memorial Pathway and we have decided to offer the pavers again. Help us maintain our beautiful Bandstand on the Common. Join us in being apart of history and order your Brick today! The pavers can be engraved with the donor's name or someone you wish to honor. The purchase price for each paver is \$125.00. Forms can be picked up at Town Hall or the Library.
