

Heritage Commission Minutes
November 3, 2014

Call to Order 18:50 (6:50)

Attendees: MAK, MA Hill, David French Pres, Wendy Harrington
Absent: Bev Mutrie

Social Media: Discussion of facebook, Heritage Commission information was found on town facebook page with no knowledge of how it got there. Any ideas? MAK said that the selectmen are working on a policy dealing with social media and the content. David French told the town that we are unable to change their webpage or delete the link to Facebook. Our webpage was copied and posted to their site. Once a month the Heritage Commission will discuss what should be posted on facebook. Our Nov. entry will be on Liberty Elms (done on This Old House - Philly). Contact Lori about obtaining Liberty Elms - Goal: Bring back character of the town because all our old Elms died from Dutch Elm disease.

Old Houses in town: Discussed the possibility that Rebecca of Sunnybrook Farm (Book) was written based on a house in town.

Money: Received Check from Michael Toppan in amount of \$75.00 for a Historic Sign for the Dodge House from 1917. Unsure of address of the Dodge House?

Map: MA Hill brought an enlarged map of town from late 1800's. Was nice to view and decipher the map.

MAK made motion to adjourn at 20:10, Wendy seconded the motion.
