### Community Planning Grant Program:

Short discussion of status of outreach efforts to school and seniors for focus group participation. A.Franciosa waiting to hear back from LAS as to feasibility of scheduling a focus group for early Spring. In effort to reach out to seniors, contact of Historical Society members was suggested. B.Mutrie to pursue and report back to O/R committee.

Questions and/or approach to focus groups discussed. Bringing LAS students in as "co-planners" seen as one method of achieving useful involvement. Same approach should also be considered for seniors.

As an access management plan is one of the Grant's objectives, discussions centered around the LAS properties, the current accesses to the Village Store complex, the Merrill property and visions of Rte 1 accesses both to and from routes 84 and 88.

D. Smith reported that the State's senior transportation planner, David Walker, will be attending the 3<sup>rd</sup> public hearing of the Planning Board on Dec 11 to discuss the Rte 1 corridor plan and traffic flow concerns.

Next meeting scheduled for 12/12 at 7:30 am. Motion to adjourn at 9:07m by A.Franciosa; 2<sup>nd</sup> C.Brown. Voted to approve 4-0. Submitted by S.Volpone, secretary
