## Ordinance & Regulations Review Committee

January 9, 2013

Minutes: DRAFT

Meeting called to order at 7:45 am.

Attendance: B.Mutrie, S.Volpone; A.Franciosa; C.Brown. Motion to accept Dec 10 minutes by C.Brown; 2<sup>nd</sup> by A.Franciosa. Voted 4-0.

### Community Planning Grant Program:

B.Mutrie talked to David French about senior list that could be culled from Historical Society [HS] membership; also talked to Maryann Hill about obtaining list of seniors from tax exemption list. It was decided that B.Mutrie would get list of HS seniors to S.Volpone who would cross reference against his email list. An "evite" would be generated for obtained email addresses inviting named seniors to a meeting at which Re-Vision concepts would be discussed.. A personal contact [phone or written note] would be made to seniors without an identifiable email. The goal would to solicit a group of approximately 8-12 to attend meeting.

A.Franciosa would follow up on previous efforts to schedule a meeting with members of an LAS class or group of classes to participate in discussion of what/how contemplated zoning changes of the Rte 1 corridor might affect them and what they would like to see happen. The idea would be to engage such a group in a give and take discussion.

The committee decided to generate a letter to the Conservation Chair, B.Burns, asking her to attend a February meeting of the O/R committee. The purpose of this meeting and her participation would be to share Rte 1 corridor visions and how wetland/set-back considerations could impact these visions. B.Mutrie to draft email for O/R committee approval before sending on to B.Burns.

Next meeting scheduled for 1/23 at 7:30 am. Motion to adjourn at 9:15am by A.Franciosa; 2<sup>nd</sup> C.Brown. Voted to approve 4-0. Submitted by S.Volpone, secretary
