MOTION: To approve the minutes of May 26, 2015, as written.

MOTION: G. Parish

SECOND: L. Brown-Kucharski

UNANIMOUS

OTHER BUSINESS

NHDES WETLANDS PROGRAM PERMIT APPLICATION

The Chairwoman read from a notice of acceptance of permit application sent to the Town from the State DES Land Resources Management department. This notice and accompanying copy of application documents pertain to septic tank replacement at 16 Marsh Lane, within the Tidal Buffer Zone. In discussing the case, it was noted by the Chairwoman that the Planning Board would not see this case, but it may need to go to the Zoning Board of Adjustment for relief.

COMMUNICATIONS TO BOARD MEMBERS

MASTER PLAN COMMITTEE

C. Brown reported on progress of the Master Plan Committee. The Committee will be mailing out a flyer that will include survey responses and thank all who participated. There will be mailings in June, July and August, and just before the focus session planned for September. At Thursday's meeting the committee will be reviewing the updated transportation chapter.

GREAT BAY MATTERS

The Chairwoman brought the Spring/Summer issue of Great Bay Matters magazine to the attention of the Board. She noted that the main focus of the issue is nitrogen in the Great Bay Watershed, and how to prevent nitrogen pollution. She will leave the magazine with the Secretary, in case anyone wishes to borrow it.

The Board enjoyed a delicious strawberry rhubarb crisp baked by Glenn Coppelman.

MOTION: To adjourn, at 7:18 PM

MOTION: A. Tonry

SECOND: G. Parish
