

Hampton Falls Planning Board

Master Plan Committee

Draft Workshop Minutes: May 28, 2015

Present: Charlyn Brown, Chairman; Larry Smith; Lisa Brown-Kucharski; Todd Santora; Glenn Greenwood, RPC Consultant; Casey and Nicole, interns (2015 UNH Graduates). Marietta Garavaglia has decided she is unable to participate at this time.

The workshop ran from 8:00 A.M. until 9:35 A.M.

Workshop minutes of May 14th were approved after noting that prior workshop minutes were also approved.

Glenn is still working on the Transportation Chapter and will have the draft for review at the June 11th scheduled workshop.

The majority of the time was spent on discussing the Housing Chapter and areas of the outline for that chapter that Glenn had prepared. Casey and Nicole have put together updated tables for the chapter which were provided to all. Changes that will be needed in the re-writing of the chapter were noted.

Glenn handed out a five page document which defines a Master Plan, its purpose and content. The goal is to reduce this document into a one page summary.

In hopes of promoting interest in attending the September visioning sessions, it was decided to reach out to the public with mailings in late June, July, August and prior to the first session in September. The June mailing will consist of the results of the Citizen's Survey and Response Thank You; the July mailing – defining a Master Plan and its content; August – the purpose and why a Master Plan.

The next meeting is scheduled for June 11, 2015 at 8:00 A.M.
