Present: Charlyn Brown, Chairman; Larry Smith; Lisa Brown-Kucharski; Todd Santora and Glenn Greenwood, RPC Consultant.

The workshop ran from 8:10 A.M. until 9:50 A.M.

The workshop minutes of May 28th were accepted. Charlyn also passed out a copy of the article (which pertained to the Master Plan Committee) that she submitted to the July/August Town Newsletter. It included information regarding the reason for the survey as well as a thank you to all who participated. It also mentioned the focus groups being planned for September.

Glenn handed out the results of the survey which the committee took time to look over and discuss. The members also decided what to high light from the survey to include on the first flyer to be sent out at the end of this month. Glenn will put together the information and send it through to all for comments and changes prior to the next workshop.

The next workshop is scheduled for June 25, 2015 at 8:00 A.M. It will be devoted to the Transportation Chapter.
