Master Plan Committee

Draft Workshop Minutes – October 15, 2015

Present: Charlyn Brown, Chairman; Larry Smith; Lisa Brown-Kucharski and Glenn Greenwood, RPC Consultant.

The workshop ran from 8:10 A.M. to 10:03 A.M.

The minutes of September 8, 2015 were accepted. It was noted that at the time of the visioning sessions, the decision was made to have the group discussions run 30 minutes instead of 40 minutes. Larry questioned the omission of “submitted by” at the end of the minutes.

As the content of the Transportation Chapter has not been finalized, it was decided to review all comments from the discussions that took place September 15th and include them, along with those from the survey, at the beginning of the chapter. In addition, some of the comments will be referenced throughout the content of the chapter and in the recommendations at the conclusion of the chapter.
