

~~DRAFT~~

Hampton Falls Cemetery Trustees Meeting - November 7, 2012

Present: L. Walker, G. Hardee and potential trustee Jonathan Bohm

Meeting convened at 11:30 am at the request of G. Hardee because of previous conflicts.

Old Business:

G. Hardee is consulting with Dick Robinson regarding the grading of one of the roads leading into West View Cemetery.

Roger Syphers has completed removal of old and broken granite posts and the installation of new ones in Pike Cemetery and the bill presented for \$1000.00 which will be submitted for payment from the FEMA fund established as a result of winter storm damage three years ago. We will ask Roger to present an estimate in the Spring for the installation of a chain link fence which should complete the project.

New Business:

G. Hardee suggested that we ask Lyle Marelli or Roger Syphers if they are familiar with the rail notchers purchased from AAA Fence last year. This is a tool used to notch the horizontal vinyl posts in West View Cemetery in order to prevent them from slipping out of the vertical posts.

We were pleased to meet with and welcome Jonathan Bohm as a candidate to fill the vacant Trustee position and will present his name the selectmen for approval..

Since the winter months are rather quiet and unless an emergency arises, it was decided to postpone our February 7, 2013, meeting until March 7, 2013.

Meeting adjourned at 8:12 P:M

Respectfully submitted for and in the absence of G. Swain
